The W Foundation Receives 2013 Best of Novato Award

Novato Award Program Honors the Achievement

NOVATO October 2, 2013 -- The W Foundation has been selected for the 2013 Best of Novato Award in the Non-Profit Organizations category by the Novato Award Program.

Each year, the Novato Award Program identifies organizations that we believe have achieved exceptional success in their local community and business category. These are local groups that enhance the positive image of small non-profit groups through service to their community. These exceptional organizations help make the Bay Area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Novato Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Novato Award Program and data provided by third parties.
